Object : Letter of recommendation for Éric VINCENT

Dear Sir, Madam,

I am writing to you as the Director of Movendo, a mental health prevention association, to attest to the qualities of Éric Vincent, an active member since July 2025 and treasurer since November 2025.

Éric Vincent has demonstrated great commitment and initiative within Movendo. I have witnessed his creativity through his proposed ideas for the development of our association, such as the implementation of webinars and relevant suggestions for our external communications. He has also demonstrated excellent writing skills, developing email campaigns for new partners, which he took the time to personalize, allowing us to connect with several new organizations.

Éric is a versatile individual. He has assisted Movendo with both back-office tasks (database development, documentation, administrative support) and public-facing roles, such as staffing awareness booths.

Finally, I want to commend Éric's excellent interpersonal skills. He integrated seamlessly into our coworking space, easily built relationships with the other organizations present, consistently demonstrated great kindness towards everyone he met, and was always ready to lend a hand.

I have no doubt that Éric will bring a great deal of qualities to your video game studio, both personally and professionally. The world of video games is also a field he has always spoken about with great passion, one in which I have witnessed his progress since starting his professional training.

I am at your complete disposal to answer any questions you may have by email or telephone.

Please accept my sincere regards,

Kindly,
Lara Chehade
